

LOGITECH · DESK & PERSONAL

Logi Dock

The desk dock that's also a speakerphone.

Logi Dock consolidates the desk: laptop docking, monitor and peripheral connections, plus a certified speakerphone with one-touch meeting join — the executive desk setup in one clean device.

PLATFORMS & ROOM FIT

Teams & Zoom certified · USB-C docking · Executive desks · Hot-desking & focus rooms

SPECIFICATIONS

Docking	Full USB-C dock: displays, peripherals, network and charging through one cable
Audio	Built-in speakerphone with noise-reducing mics — certified for Teams and Zoom
Meetings	One-touch join button and meeting controls on the device
Desk	Replaces the dock + speakerphone + cable clutter with one object

HOW FOCUS AV DEPLOYS IT

- Rolled out as the desk standard in executive and hot-desk programs — consistent, supportable, tidy.
