

LOGITECH · VIDEO BARS

Logitech Rally Bar – Graphite

The flagship bar in its classic dark finish.

Rally Bar in Graphite — the dark finish that disappears under a display on a dark feature wall. Same flagship engineering: 4K camera with 15x zoom, AI framing, room-filling audio and native Teams or Zoom.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · USB / BYOD · Medium rooms · 6–12 people · Dark interior schemes

SPECIFICATIONS

Finish	Graphite — the classic dark chassis that vanishes against dark walls and displays
Camera	4K sensor, 15x HD zoom, motorised pan/tilt with RightSight AI framing
Audio	Integrated speakers and beamforming mics; Mic Pod expandable
Platforms	Native Teams Rooms / Zoom Rooms on-device, or USB

HOW FOCUS AV DEPLOYS IT

- Finish selected against the room's wall and display treatment during design — small detail, visible forever.
