Logitech Rally Bar Huddle

Big-room intelligence for the smallest rooms.

The huddle room finally done properly: a compact all-in-one bar with AI framing, clean audio and one-touch join for the two-to-six person spaces every office is full of.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · USB / BYOD · Huddle rooms · 2–6 people · Under-display mount

SPECIFICATIONS

Camera	4K wide-angle camera that keeps a small room fully in frame without fisheye distortion
Framing	RightSight AI framing and speaker view — the far end sees people, not furniture
Audio	Beamforming mics with AI noise suppression tuned for close quarters
Platforms	Native Teams Rooms or Zoom Rooms on-device, or USB to a laptop
Control	Tap or Tap IP on the table for one-touch join; Tap Scheduler at the door
Management	Logitech Sync — every huddle room visible on one dashboard

HOW FOCUS AV DEPLOYS IT

- We standardise huddle fleets on Rally Bar Huddle so every small room behaves identically — one tap, same interface, no surprises.
- Typical install pairs the bar with Tap IP inside and Tap Scheduler at the door, ending the double-booking wars.
- Monitored through Sync under Focus Care — a huddle room that quietly dies gets caught before Monday.
