

LOGITECH · VIDEO BARS

Logitech Rally Bar - White

The flagship bar for light, bright interiors.

Rally Bar in White — flagship performance in the finish that belongs in light-walled, Scandinavian-leaning fit-outs. Identical engineering: 4K 15x camera, AI framing, native Teams or Zoom.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · USB / BYOD · Medium rooms · 6–12 people · Light interior schemes

SPECIFICATIONS

Finish	Off-white chassis that sits naturally on light walls and timber-and-white interiors
Camera	4K sensor, 15x HD zoom, motorised pan/tilt with RightSight AI framing
Audio	Integrated speakers and beamforming mics; Mic Pod expandable
Platforms	Native Teams Rooms / Zoom Rooms on-device, or USB

HOW FOCUS AV DEPLOYS IT

- Specified with the interior scheme; mixed fleets often run both finishes to match rooms, managed identically.
