

LOGITECH · ROOM SYSTEMS

Logitech Rally Plus

The modular system for boardrooms and big rooms.

When one bar can't cover the room, Rally Plus does: a 4K PTZ camera, dual speakers and expandable mic pods placed exactly where the room needs them — the large-room system built to be designed, not just bought.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · USB / BYOD · Large rooms & boardrooms · 10–16+ people · Modular placement

SPECIFICATIONS

Camera	Rally 4K PTZ camera with 15x HD zoom and adaptive framing — sharp faces at boardroom depth
Audio	Two front-of-room speakers and two table Mic Pods included, expandable to seven pods for long tables
Architecture	Modular: camera, speakers, mics and hubs placed independently — cabling runs concealed through the table and wall
Platforms	Pairs with Logitech RoomMate (or a room PC) for native Teams Rooms / Zoom Rooms; USB mode supported
Control	Tap or Tap IP for one-touch join and room control
Management	Logitech Sync monitoring across the whole fleet

HOW FOCUS AV DEPLOYS IT

- We design the layout first — camera height, speaker throw, pod spacing per seat count — then install with concealed cabling through table and wall.
- Paired with RoomMate for a PC-free native Teams or Zoom room, plus Tap on the table.
- Boardrooms usually get acoustic treatment in the same design — Rally Plus can't fix a glass echo chamber by itself, and we won't pretend it can.
- Commissioned by ear and meter, then supported under Focus Care.

Supplied & installed in Perth by Focus AV — Solutions Focused.
