

LOGITECH · TEAMS ROOMS BUNDLES

Logitech Tap Medium Rooms

The Windows MTR bundle for the medium majority.

The medium-room Tap bundle: Tap controller, Rally-class camera and audio, and a certified Windows Teams Rooms compute — PC-based MTR for the rooms most meetings actually happen in.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms (Windows) · Zoom Rooms · Medium rooms · 6–12 people

SPECIFICATIONS

In the bundle	Tap controller, Rally-class conference camera and audio, certified Windows room compute
Platform	Teams Rooms on Windows with the full feature surface IT estates expect
Alternative	The Android Rally Bar + Tap bundle covers this tier appliance-style — fleet standards decide

HOW FOCUS AV DEPLOYS IT

- Compute mounted, secured and managed to your Windows standard; room commissioned and documented like every tier.
