

LOGITECH · TEAMS ROOMS BUNDLES

Logitech Tap for Small Rooms

The Windows MTR bundle for small rooms.

Logitech's small-room Tap bundle: Tap controller, conference camera and a Windows-based Teams Rooms compute — the certified PC-based room recipe for organisations standardised on MTR for Windows.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms (Windows) · Zoom Rooms · Small rooms · 2–6 people

SPECIFICATIONS

In the bundle	Tap touch controller, small-room conference camera and certified Windows room compute
Platform	Teams Rooms on Windows — the full-featured MTR experience some IT estates standardise on
Alternative	Android-based Rally Bar Huddle bundles cover the same tier without a Windows PC — we'll advise which fits your fleet

HOW FOCUS AV DEPLOYS IT

- Deployed against your MTR-for-Windows standard with compute secured to IT policy; documented per room.
