

NEAT · INTERACTIVE DISPLAYS

Neat Board

The whole meeting room on one rolling stand.

Neat Board is a 65-inch multi-touch canvas with camera, mics and speakers built in — video meetings, whiteboarding and wireless sharing in one device that can roll to wherever the collaboration is.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · Whiteboard & annotation · Huddle—medium rooms · Project & agile spaces · Wall, floor or rolling stand

SPECIFICATIONS

Display	65-inch multi-touch screen for whiteboarding, annotation and content
Video & audio	Integrated wide-angle camera, microphones and a genuinely powerful audio system
Collaboration	Native Teams/Zoom whiteboarding and wireless sharing — the canvas is the meeting
Mobility	Adaptive stand options including rolling — the room can move to the team

HOW FOCUS AV DEPLOYS IT

- Specified for agile, project and innovation spaces; rolling-stand deployments include a parking-and-power plan so mobility survives reality.
