

LOGITECH · TEAMS ROOMS BUNDLES

Logitech Tap Rally Bar Mini – MTR

The small-room Teams Room, complete.

Rally Bar Mini plus the Tap controller, certified for Microsoft Teams Rooms — the small-room bundle that gives four-to-eight person spaces the same one-touch experience as the boardroom.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Small rooms · 4–8 people

SPECIFICATIONS

In the bundle	Rally Bar Mini (4K camera, speakers, beamforming mics) + Tap touch controller
Certification	Microsoft Teams Rooms on Android certified — one-touch join and calendar on the table
Compute	Teams runs on the bar itself — no room PC required
Management	Teams admin center + Logitech Sync for fleet monitoring

HOW FOCUS AV DEPLOYS IT

- Room accounts, licensing and admin center enrolment configured with your IT team; hardware installed with concealed cabling and verified audio.
- We standardise fleets on this bundle for the small-room tier — identical experience to your Rally Bar rooms, one size down.
