

YEALINK · VIDEO BARS

Yealink MeetingBar A40

The value benchmark for small–medium Teams rooms.

The A40 pairs a dual-camera AI system with strong integrated audio in a certified Android bar — the small-to-medium room workhorse that made 'budget Teams Room' stop meaning 'compromised Teams Room'.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · Small–medium rooms · 4–10 people

SPECIFICATIONS

Camera	Dual-camera system with AI framing and speaker awareness across the small-medium range
Audio	Integrated mic array and full-range speaker; expansion mic support for deeper tables
Platforms	Certified Teams Rooms / Zoom Rooms on Android — no room PC
Control	CTP18 touch console for one-touch join
Management	Yealink Management Cloud + platform admin portals

HOW FOCUS AV DEPLOYS IT

- Specified as the value tier in mixed fleets — same user experience as the flagship rooms, budget headroom left for the boardroom.
