

YEALINK · VIDEO BARS

Yealink MeetingBar A50

Yealink's medium-room bar with multi-camera AI.

The A50 tops Yealink's MeetingBar range with a multi-camera AI system, stronger audio and dual-display support for medium rooms — certified Teams or Zoom with the value DNA intact.

PLATFORMS & ROOM FIT

Microsoft Teams Rooms · Zoom Rooms · Medium rooms · 6–12 people · Dual display

SPECIFICATIONS

Camera	Multi-camera AI system with intelligent framing and speaker tracking for medium-room depth
Audio	Upgraded speaker and mic array; wireless/wired expansion mics for longer tables
Displays	Dual display support — people and content side by side
Platforms	Certified Teams Rooms / Zoom Rooms on Android
Control	CTP18 console; Yealink Management Cloud fleet visibility

HOW FOCUS AV DEPLOYS IT

- Deployed with expansion mics where table depth demands, dual displays mounted to sight-lines, enrolled in the management stack.
